

Dorothy Lynch Award

The Dorothy Lynch Award is given according to the families wishes to members who follow Dorothy's example of offering assistance, friendship, and exemplary service to the Club and its members

Dorothy Lynch, was a very special person, she passed away in December 2001 after a lengthy illness. Dorothy joined Etobicoke Camera Club in 1979 and was very active in Club projects and events. She worked on the Board as Viewfinder Editor eventually taking on Membership Chair in 1990 until her passing. She epitomized the human side of the Club, always at the door to introduce new members and welcome regular members.

For many years she opened her home for new member get-togethers, and always encouraged us to share our friendship, photographic skills and knowledge with new members. She had an uncanny ability to know what was happening in our lives with cards and phone calls and would often gather a few members for an impromptu picnic photographic outing. She has set the example for membership chairs who follow.

She was always there to volunteer with kitchen duties, filling in on the Viewfinder, offering rides so others could attend meetings and worked tirelessly on committees for numerous Club projects. For all her contributions to our Club, she was made an Honorary Life Member in 2000.

Dorothy always enjoyed learning something new, in fact it was through Ted Maginn's class that she was introduced to the Club. Over the years she won numerous awards, especially for her beautiful landscape and flower images. With her passing, her family wanted her legacy of to be recognized as an award for those who make such contributions to the Club and its members. This award is not given out every year.
