

Don Dawson Memorial Award for Print Photography

The Don Dawson Memorial Award is given for photographic excellence and is presented to the member earning a GOLD with the highest score for an image in our Print Competition.

Don Dawson joined ECC in 2001, a member for about 9 years, serving on the Board for Seven. He assisted with Image Evaluation, Salons, ribbons, and annual awards. Don came from the Toronto Camera Club, and with his experience and skill became a Superset member with much talent. He loved photography and enjoyed getting up early to photograph the magical light of dawn – his favourite time. His special interest was nature and scenics, his images all conveyed a wonderful mood, were beautifully composed and captured.

A dedicated photographer, Don was always ready to share his knowledge and expertise. Even as his health was failing, he enjoyed a ride to the Club so as to view images and shows, and chat with other members. Don passed away June 27th, 2011. His wife, Betty, and their family approached ECC about creating an award in Don's memory and Betty selected this image which was very special to Don. It scored a perfect score in competition; a scenic of Gold Hill in the village of Shaftesbury, England.
