3M Trophy Image of the Year

The 3M Trophy was formerly the Ferronia Colour Trophy. The Ferronia Colour Trophy was donated by Vedition Division, Ferronia in the 1960-61 season of ECC. It was for the Slide of the Year Trophy; now Image of the Year Trophy since digital came into being.

Members entering this competition may submit any or all of their ribbon winning images from the season plus 2 earning 18 or more. This trophy is then awarded to the member with the highest scoring image in this competition – there can only be one winner per season.

An additional honour to the winners of this trophy is the fact that their winning image will appear on the front cover of our programme flyer for the following season.

Don Dawson Memorial Award For Print Photography

The Don Dawson Memorial Award is given for photographic excellence and is presented to the member earning a GOLD with the highest score for an image in our Print Competition.

Don Dawson joined ECC in 2001, a member for about 9 years, serving on the Board for Seven. He assisted with Image Evaluation, Salons, ribbons, and annual awards. Don came from the Toronto Camera Club, and with his experience and skill became a Superset member with much talent. He loved photography and enjoyed getting up early to photograph the magical light of dawn – his favourite time. His special interest was nature and scenics, his images all conveyed a wonderful mood, were beautifully composed and captured.

A dedicated photographer, Don was always ready to share his knowledge and expertise. Even as his health was failing, he enjoyed a ride to the Club to view images and shows, and chat with other members. Don passed away June 27th, 2011. His wife, Betty, and their family approached ECC about creating an award in Don's memory and Betty selected this image which was very special to Don. It scored a perfect score in competition; a scenic of Gold Hill in the village of Shaftesbury, England.

Art & Rita Tracey Memorial Award

Top Audio-Visual Show

Presented to the member earning the highest score in our digital A-V Competition

In memory of Art & Rita Tracey who joined Etobicoke Camera Club in 1967. Both were involved in many club activities and served in various capacities on the Board. Rita as Chair of Programs, Chair of Social, and Director at Large and Art with Equipment and Projection.

They won many awards for their images, but their passion was in creating, for others to enjoy, the many slide shows of their travels and work over the years. Art & Rita were avid travellers flying to many far-flung destinations or driving their motor home all over Canada and the USA. They were GTCCC (now O3C) presenters for many years taking their shows to various camera clubs, as well as retirement homes and other local organizations.

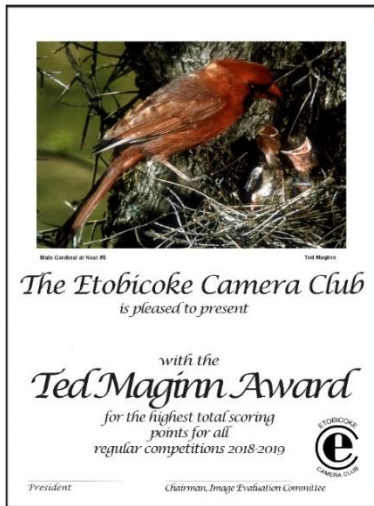

For a time, they migrated to Islington Camera Club and became very much the backbone of that club. In 2007, with the demise of analog and popularity of digital photography, the Islington Club closed its doors, and Rita and Art returned to continue their love of photography with Etobicoke Camera Club.

He was one of the Club's top photographers and worked tirelessly for the Club organizing many special projects and events.

Because of all his dedication and hard work in various roles in the Club over the years, Ted was made an Honourary Life Member. He was a great mentor to budding photographers and taught adult photography classes at several schools.
