*January meetings***January 3rd**

People Competition

January 10th

Philip Sun has talked at the club before on different aspects of photography. This seminar was on Improve your image, work the light. Philip focused on the use of natural light and the importance of being in the right place to capture the light that you want.

January 17th

Architecture to Landscape with Creative Elements was a seminar given by Robert Walling of the Trillium Camera Club. He presented several shows of photographs that he had taken. These included examples of improvements that can be made in the post-processing using Photoshop plugins.

January 24th

The awards were presented for the People competition. As well there was an image critique for the Creative competition lead by Kas Stone and Judy Griffin. A short show was given by Carol Jones on – Exploring Paris.

January 31st

A presentation was given by Richard Lautens on Creativity and Meaning in Photography. Richard is a Staff Photographer for the Toronto Star. He outlined the process he used to conceptualize and scope out an image. He also dealt with the impact that can be obtained from the use of various lenses

and the gear he took with him. All dealt with just the right amount of humour.

*February meetings***February 7th**

Judging the Creative competition

February 13th

There will be an outing to the West Montrose Covered Bridge with lunch in St Jacobs, with photo opportunities there in the afternoon. Time will depend on temperature and lighting.

February 14th

This is the presentation of awards night for the Creative competition. As well, there will be the image critique for the Architecture competition. A Short show will be given by a Club Member

February 21st

This is Family Day and no meeting is scheduled. But Architecture images must be submitted by this date.

February 28th

Judging the Print Competition 2
